

Webinar Knowledge Check Survey
Prevention Training Academy
Community Health Promotion Unit

Instructions: Answer the following short-answer questions. Turn in completed survey to your county monitor.

If you have any questions, contact Kathy Reyes ekreyes@smcgov.org

Webinar Information

Topic:	Alcohol 101 – Health Impacts
Title:	<i>Alcohol: The Way You Define the Problem Influences the Solution</i>
Watch now:	https://youtu.be/Zn1SouzINLY
Presenter:	Dan Hungerford, DrPH, Center for Disease Control and Prevention
Source:	Addiction Technology Transfer Center Network (ATTC) funded by Substance Abuse and Mental Health Services Administration (SAMHSA)

1. List two health impacts linked to chronic use of alcohol.

2. Explain the difference between excessive drinking and harmful drinking as described by the presenter.

3. How would you describe cultural norms around alcohol in your community?
